Dear Mr. Green:

I have your letter of January 12th, and through a strange coincidence the Chairman of our Committee on Decorations came into the Museum on the same day as your letter was received.

Mr. Harrold E. Gillingham, a prominent insurance man of Philadelphia, has business which takes him to Providence fairly frequently. He said that he expected to be in your city either next week or the following week, and that he would call upon you at that time.

Mr. Gillingham has a very important collection of Decorations, and he and Mr. C. B. Gifford, (Box 5274, Boston, 4, Mass.) are the men best equipped to help you of any I know. Both are enthusiasts in this fascinating branch of numismatics. Mr. Gillingham is publishing a book on French Decorations, to be issued by our Society probably in February.

Would you consider an invitation to associate yourself with our Society? This would bring you our publications free of charge and keep you in touch with others having the same interests. I am taking the liberty of enclosing a brief folder describing our Museum, and an application card which I hope you can see your way clear to returning.

May I ask if you have any books on your subject?

I do not know of any dealers who handle decorations exclusively; occasionally they are to be had at some of the auctions. I would suggest your requesting Mr. T. L. Elder, 21 West 35th Street, New York, to place you on his mailing list.

Very truly yours,

SPN/E

New York City

My dear Mr. Noe:

Thank you for your letter of the 15th inst. I regret to say that I am not a collector and know little about numismatics. However, I have a few French Medals of the Great War, and thought I would like to get a few American Medals to correspond. I had not in mind decorations such as you refer to.

Under the circumstances I feel that I should not at present take advantage of your kind suggestion that I become a member of your Society.

Very truly yours,

Dear Sir:

A letter from Mr. Henry A. Greene of your city tells me that you are interested in medals and have been collecting those relating to the War. He suggested that I send you any issued by our Society which are still available. I, therefore, take pleasure in enclosing a circular describing our Peace medal, and should you wish a copy in either silver or bronze, I shall be very glad to have it sent you.

I have also at Mr. Henry A. Greene's request entered your order for a bronze Choate medal which will be sent to you during the coming week.

Very truly yours,

Secretary
